

## *Thermo Gard™ Assurance*

*Customizable guaranteed maintenance programs from Thermo King SVC.*

## *Thermo Gard™ Assurance*

# **CUSTOMIZABLE FLEET MANAGEMENT OPTIONS FOR YOUR BUSINESS**

*Thermo King SVC's Thermo Gard Assurance guaranteed maintenance program includes set programs and a wide variety of coverage options to fit the needs of your business. Your Thermo King dealer can use the new SVC quoting tool to determine which programs can save your business the most time and money!*

### *Optimize Efficiency*

Get expert service at nearly 200 Thermo King dealer locations across North America from factory-trained technicians using Genuine Thermo King parts.

### *Reduce Costs*

Cut operational costs by reducing emergency service expenses. Minimize maintenance costs with regularly scheduled maintenance intervals.

### *Cover Your Entire Fleet*

Thermo Gard Assurance is available for your entire fleet, new and old, including trailer, truck, APU and heater units. Plus, we cover both your Thermo King and competitive units.

### *Utilize Diagnostic Tools*

Thermo King dealers have the newest diagnostic tools to properly service Precedent units.

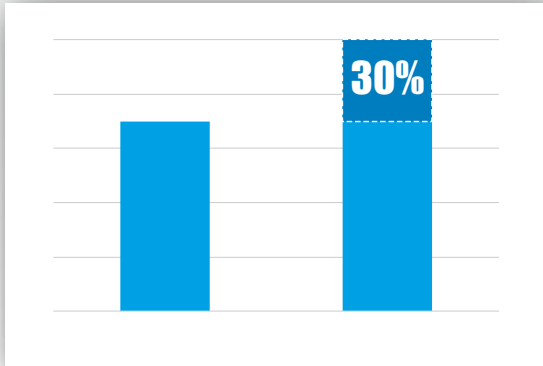

### *Rely on Certified Precedent Service*

Only certified Thermo King technicians have the training and certification to maintain and service Precedent units.

### *Leverage Reporting Data*

Comprehensive data on the Precedent units is only available from Thermo King SVC.

## UPTIME

### Maximize Uptime

Preventive maintenance done during regular inspections prevents costly breakdowns before they happen.

## Level Yearly/Monthly Maintenance Costs

Consistent maintenance costs throughout the year make budgeting simpler and help avoid surprises.

## MONTHLY MAINTENANCE COSTS

## Thermo Gard Assurance + TrackKing = ULTIMATE FLEET MANAGEMENT AT ONE RATE!

TrackKing is a complete web-enabled temperature and asset management system. Get TrackKing with Thermo Gard Assurance and utilize real-time data to assess reefer health and make informed decisions to schedule fleet maintenance. Real-time fleet information from TrackKing improves asset utilization and increases equipment uptime. Benefits include:

- Real-time cargo and box temperature information
- Trailer location information to expedite service
- Real-time alarms for improved diagnostics and more uptime
- Optimized cargo and reefer settings using OptiSet™ Plus from the TrackKing website
- Diagnostics made quicker and easier by downloading reefer unit data loggers remotely
- Proactive Preventive Maintenance (PM) due notifications
- PM reports updated within 24 hours
